Dear Patrons,

We appreciate the support you have given us over the years - that support has allowed us to "bring world-class entertainment to the CAL Center". Thank you!

As you know, the COVID-19 pandemic has wreaked havoc on the entertainment industry nationwide. In July, we made the decision to reschedule all our Fall 2020 shows to dates in 2021.

Recently our board made the difficult decision to move *all* our 2020-2021 shows to our 2021-2022 season which will begin with *Sail On - The Beach Boys Tribute* on July 30, 2021 (originally scheduled for September 26, 2020). We want you to be able to attend our shows at the CAL Center and enjoy them as you have in the past without undue restraints.

We are in the process of working with the artists to reschedule for dates in the fall of 2021 or spring of 2022. Our current plan is to reschedule all the shows and we hope to announce the new dates for our 2021-2022 season in February or March of 2021.

*For those who have already purchased tickets to any of these shows, your seats will be saved for you - keep your tickets for now. You will receive an email once we announce the new dates and you will be able to let us know if those dates work for you.*

*For those who have not "renewed" their Show Packages from last year, your seats from the 2019-2020 season will be saved for you. You will receive an email once we announce the new dates and the packages are available for purchase.*

*For those who have purchased Flex Passes in 2020, your Flex Passes will be valid for the 2021-2022 season.*

*On sale dates for the 2021-2022 season will be announced next spring when we announce the new performance dates. There are no individual tickets, packages, or flex passes available to purchase at this time.*

As always, if you have any questions, please email or call us at 608.768.8928 ext. 1190. Stay tuned - check our website on occasion for updates.

Thank you again for your support, for recognizing the importance of the arts in our community, and for your patience and understanding!
